NO MORE BABIES ON BOARD, PLEASE!

Dear *Voluptuous*,

While I have always enjoyed the diversity in your magazine, I had to write in and ask that you please stop putting layouts of peggos in *Voluptuous*. They turn me off for one, and I think that they don't belong in this publication. There are magazines that cater to that kind of fetish and pregnant women belong in those magazines, NOT in V-mag. Every time I see a layout of a pregnant woman, it makes me mad because that's one less hot, busty woman in the magazine. I am sure that a lot of other readers agree with me. Guys who like pregnant women are the minority, I think. I can't imagine that

The prego controversy rages on in this issue of V-mag. Some readers like their babes knocked up and others just want to see their knockers. What do you say about that?

there is a high demand for this kind of thing in your mag.

When I see photos of women like April McKenzie and Lorna Morgan, I think they are sexy and they make me horny. When I see these women pregnant they no longer turn me on. It ruins the fantasy for me. It makes me not want to see them anymore.

I hope you guys take the time to realize that your readership does not consist of prego-crazed men, but rather, of guys like me who want to see big tits. So please show us more tits! If not, then rename the magazine *Baby On Board* and stop confusing us

with the promise of big tits.

On a separate note, I would like to say that hiring a woman editor for V-mag was a smart move. And hiring a busty woman was even smarter. I enjoy Maria's interviews with the models and I think that they are more candid with her because she is stacked and they can relate to one another. -H.L., Fort Myers, Florida

Dear *Voluptuous*,

I have had enough with all of the pregnant women V-mag already. It's not something that I am into personally and I can't stand that having a prego in each issue seems to be the norm these days. It is really overkill and a waste of pages. Please see to it that you concentrate on finding new, busty models and not on finding any more busty pregnant models. -S.W., via the Internet

PREGGOS: A MUST IN EVERY ISSUE OF V-MAG

Dear *Voluptuous*,

The January 2011 issue of *Voluptuous* has got to be one of the best ever, particularly with the double-page spreads. More of Raquel Grant, please. She is the best plumper since Sarah Mercury. Please stop putting Christy Marks in *Voluptuous*. She may be stacked, but is far too slim for V-mag. SCORE is the place for her.

Please put in lots, lots more of Lorna Morgan, preferably pregnant. Apart from being one of the most beautiful women you have ever featured, her pregnant layouts are positively

erotic and tasteful. They are deserving of more exposure. Her huge, pregnant belly and heavy, milk-filled breasts are the most beautiful that I have ever seen. Presumably you have lots more photos of her from her preggo shoots, right? So publish them in a large format, instead of those irritating, small shots that you keep putting in the magazine. Why not offer them for sale in a large, A3-centerfold size? I would buy the lot.-D.N., Cheshire, England

Dear *Voluptuous*,

I am really happy with the magazine's shift towards catering to a

wider range of fetishes especially the preggo layouts that have been sprinkled throughout V-mag as of late. While I would love to see an entire issue dedicated to this, I am pleased to just have one layout per issue. I think it's a testament to your ability to change with the times that makes V-mag the best big boob publication on the market. I commend your efforts to appeal to all of your fans' likes.-W.A., via the Internet

MODELS SHOULD BE FULLY NUDE OR ELSE!

Dear *Voluptuous*,

I am not new to you guys. I've been reading your magazine since the beginning. There is one thing I don't get. This is a nude women's magazine, so why are you guys putting girls in your mag that won't take off their panties? I find this to be pretty stupid. If they come wanting to be in your mag, I think full nudity should be a requirement. Recently you have three or four girls like this. I'm not really a complainer, however I've paid good money since 1992 to see

YES! HOT LESBIANS!

Dear *Voluptuous*,

I read the *SCORELAND* blog post on hot lesbian scenes and thought that surely your editors had not seen the one of Kaytee Carter and Destiny Rose in the *More to Fuck* DVD. This is one hot scene and actually makes the DVD. It is so erotic as well as showing off beautiful, voluptuous women.—S.B., via the Internet

HE JUST WANTS TO SAY, "THANK YOU."

Dear *Voluptuous*,

Please convey my sincere thanks and compliments to lovely Kristina Milan for her thrilling and sexy photos in the March 2011 issue. There are four things in my list of criteria that I look for in a pair of tits, and Kristina's have just the right blend of all four to get me up and off several times in the course of one evening.

First, they are huge, but of course Kristina shares that with all of your models, which is why I buy the magazine in the first place. Second, Kristina has larger and darker areolae than most models. Third, her tits hang straight down in a delightful way even when she is standing. Other models have to get on their hands and knees or on their elbows and knees to get their boobs to hang straight down like that. And fourth, Kristina's nipples are (here's where I have a "hard" time finding the right word, so I'll just say) "perky." Perhaps the editor or maybe another reader can give me a more adequate word to express the pleasure Kristina's nipples give me.

I also owe a big, "Thank You" to Alix Lakehurst in the same issue. Alix has liberated me from a hang-up that has always prevented me from enjoying some of your models as much as I should. I have never cared for photos of girls using dildos. I have always preferred seeing girls using their fingers to masturbate. But Alix seems to enjoy fucking herself with her pink toy so much that I get excited over just seeing her do it.

Now a big "Thank you" for the wonderful DVD that came packaged with the magazine in my area. It's called *Fuckin Mo' Titties* and it is top quality porn from beginning to end. Unlike many DVDs which have one or two hot girls and a bunch of so-so fillers, all four of the *Voluptuous* stars (Goldie, Alexis Silver, Sierra and Panther) are super hot and I don't have to fast forward through any boring parts. If I have to pick a favorite, it would probably be Sierra for her astounding cock-sucking talent and for the way her tits bounce when she's riding the lucky stud's cock. But then again, all four are very talented orally. -R.N., via the Internet

A FAN'S ART FOR HIS MUSE, MICHELLE MAY

Dear *Voluptuous*,

Here are some pin-up drawings I did of Michelle May. I hope to see more of this beauty. I hope that she sees these and that she enjoys them. -H.D., via the Internet

Renee, who took first runner-up for 2009 Newcomer of the Year, worked double-time to secure her Model of the Year win. And by double time, we mean that she did more hardcore than any other model nominated, a fact that Ms. Ross is proud of. "I think that sex is a big part of who I am and doing hardcore was a positive step in my modeling career," she said. "The filming of K-JUGS and All The Way Renee was so much fun and I feel like that comes across when you see my scenes. I am glad that my fans enjoy watching me as much as I enjoy making movies for them. I really appreciate my fans for that."

And what does Renee have to say about winning such a tight race against Ashley Sage Ellison? "I was so surprised and flattered because all the models that were nominated are gorgeous. I mean, Cherry and Angela are legends and Natalie Fiore is so sexy. Last year, when Ashley Sage won newcomer, I was really happy for her because she has the most amazing boobs. Her body is so curvy. And she has a great face. There is so much sensuality in her eyes. I don't think that it matters that she doesn't do hardcore. I think she is sexy no matter what. Winning is amazing because all of the nominees are incredible, so I was in shock. I would totally do girl-on-girl with Ashley Sage if she wanted to. She gets my vote, that's for sure." We'd love to see that, too, Renee!

HANGING AROUND WITH THE BIGGEST TITS IN THE WORLD

The **SCORELand Blog** (blog.scoreland.com) is a great place to get the boob news you love, and is quickly becoming the best place to talk shop about the tits we enjoy and the stacked babes we lust after. Join in on the conversations between **SCORELand's** Elliot James, **SCORE** editor, Dave Rosenbaum and **Voluptuous** editor, Maria Guerrero. Here's a quick peek at some of the hot topics being discussed by boob lovers on the blog right now. Check it out and then log on and get off with the **SCORELand Blog**!

They Got Sole -by Elliot James

The diversity of opinions in the world of **SCORE** and **Voluptuous** never ceases to impress me. Some of the feedback we get is incredibly detailed. Even though we can't possibly fulfill every wish, I still appreciate the interest and the motivation of the guys and gals who take the time to connect, especially these days when so much competes for our attention on a daily basis. I mean, I have a satellite TV subscription to a zillion channels and a subscription to a newspaper and several mags and I never mail these people any comments, opinions or feedback even though I've thought about it.

"Out of 106 full layouts you featured in 13 issues of *Voluptuous* in 2009, just 6 (I mean SIX!) included at least one (but often just one) picture in which the model's bare feet were fully visible. This is less than 6% of the total number of layouts versus 20-30% in the 1997-2003 period even in the darkest period (2004-2008) you had never dipped below 9% of the total number of layouts. According to the poll you ran on **SCORELAND**, 23% of respondents like both

boobs and feet in the layouts, and an additional 25% likes a mix (some boob-only layouts, some boob-and-feet layouts), it is quite apparent that you systematically disappoint at least 23% of your fans."

Counterpointers have written that foot fans should stick to *Leg Sex* if they love feet that much. But The Feetosopher is a guy who likes to see the shoeless feet of busty girls, not just the feet of the slim girls. I for one, relate to his likes because I can really get into a nice

set of feet, too, although I'm a boob fan first. (I look at boobs first, then feet and legs second, face third, ass fourth.) It's just a fact that when a photographer is shooting a layout of a big-boobed girl, he has to think about her chest first

and often get close-ups, not focus on her feet whether she is wearing shoes or not, and that means that a good portion of her legs and feet are not going to be in the picture. Otherwise, every photo would be a full-body shot.

My sole opinion about shoes is that if a model is going to wear them throughout a layout and never kick them off, the shoes gotta be high, wild-looking and show a lot of toe cleavage. That's why the girls wear what they wear at

When you think of Prague's Terry Nova, feet don't come to mind. Why? Because her plush and ripe 36F rack is at eye level, that's why!

Busty stunner, Renee Ross (left) has a lot of sole. And Melissa Mandlikova (above) has a really nice set of buns, not bunions.

MODEL
Contest **OF THE YEAR**

FIRST
RUNNER-UP

Ashley Sage Ellison

With her 36J sucklers and her intense, bedroom eyes, it is easy to see why Ashley Sage Ellison is one of V-mag's most popular models. When she won the 2009 Newcomer of the Year title, edging out V-mag favorite, Renee Ross, readers claimed that

this blonde stunner from Manchester, England was well on her way to Model of the Year in 2010. And while Ashley received hundreds of votes from her devoted, diehard fans, it was not enough to get her top honors in the Model of the Year race.

Bare Facts

DVDs

ASHLEY'S FIRST TIME: The first DVD devoted solely to this gorgeous morsel of a bra-buster from England! In the tradition of many introductory *Voluptuous* DVDs to an extraordinary girl, you'll get to enjoy Ashley Sage Ellison as she blows out her bikini and tight titty-tops. You'll drool as she applies a coating of oil to slick up her succulent sucklers. She bounces, jiggles and dangles her twin J-peaks all over the island of St.

Martin in the sunny Caribbean. In between chapters, Ashley talks about her life and her phenomenal breasts, too.

ALL STACKED, ALL NATURAL:

Voluptuous magazine's latest busty discoveries are showcased in this DVD, and, as the title states, the boobs of these succulent newcomers are 100% pure sweatermeat! Starring Ashley Sage Ellison, Karina Hart, Natalie Fiore, Taylor Steele, Victoria Lane, Arianna Sinn, Bebe Cooper, Jenna Valentine, Destiny Rose and Kaytee Carter in hot, solo masturbation scenes!

Some wager that it was Ashley's tame pictorials that cost her the Model of the Year win for 2010, especially competing against Renee Ross whose hardcore DVD, *All The Way Renee* showcases a serious array of XXX. "There is no doubt in my mind that Ashley Sage Ellison is one of your greatest finds of all time," said reader G.A. from Las Vegas, Nevada. "She is beautiful, young and her tits are nothing short of incredible. But, I couldn't vote for her in the Model of the Year category because she doesn't do anything but really tame solo. I wish that she would spread her legs and show me her moist pussy, but since she won't, my vote went to Renee Ross."

Still, for some, Ashley's smoldering looks and curvy physique make her the ultimate V-mag dream girl, with or without hardcore. "Ashley Sage gets my vote because she has the best tits I've seen and that's key criteria for a Model of the Year winner. I like the fact that she doesn't do explicit modeling, either. Other greats never did hardcore. She is right up there with Nicole Peters and Sharday in my mind," said reader F.A., from New Jersey. Despite the controversy about hardcore, Ashley's first runner-up "position" proves that she has that "It" factor that will make her a V-mag legend in years to come.

With her supple curves and plush, full breasts, Karina Hart has been called the ultimate V-girl. So, it made sense that she was one of the frontrunners for 2010's Model of the Year win, too. "Karina is like the spokesperson for *Voluptuous*," said D.F., a long-time reader from Kansas City. "When she won 2008's Newcomer of the Year, I was not surprised. When she won Model of the Year in 2009, she was the logical choice. I won't be surprised to see her win again this year." And while she had a good run, this year she is V-mag's second runner-up, and that, she says, suits her just fine.

**SECOND
RUNNER-UP**

Karina Hart

"I enjoy my modeling career, so being nominated is an honor," said Karina. "I appreciate that my fans think of me and vote for me. To me, even being voted as second runner-up shows that I am giving my fans what they like and that is the most important thing to me." And the most important thing to us is that Karina continues to show us her incredible body, especially in layouts like this, where she is wearing hot, red panties and slutty fishnet stockings. Karina looks good enough to eat!

AS YOU WISH: In the second DVD devoted exclusively to her, Karina satisfies the personal requests she's received from her fans. Photographed in the beautiful Caribbean, Karina models lingerie, bikinis and bras. She dances and fondles her gorgeous, big tits, takes a shower, covers her body with oil and tries on fantasy outfits. Karina does everything that you've emailed or written her to do since the release of her first DVD *Hart On*, including a horny toying session with a cock-shaped black fuck-stick.

BUSTY RIDING ACADEMY: Six super-stacked naturals are sent to the *Busty Riding Academy* hoping to learn how to ride, but they end up riding cocks! Christy Marks and

Terry Nova have a four-way in the barn, Jasmine Black gets DP'd in the boudoir, Kristy Klenot and Melissa Mandlikova have a tits-and-tugs three-way and Karina Hart does her first and only tug-job and takes a sticky load on her tits.

Karina said that her favorite thing about modeling is dressing up, feeling sexy and confident. "I love all the outfits I get to wear. I think my fans do, too. What man doesn't enjoy having his woman dress up for him in beautiful lingerie? It's about fantasy. Maybe I would not wear this outfit to clean the house or to cook dinner...okay, maybe to cook dinner, but you know what would happen after we eat!" We have a feeling that Karina would make a meal out of any man.

clubs. Sally Secretary shoes and low heels don't cut it for me in a men's mag pictorial or video. If that makes me an arch heel, so be it. I think we'll still be dragging our feet about this topic ten years from now. Maybe one day, there will be a happy medium. Unless the boot crowd gains greater support. And we still have the ass, bush and pussy crowd to negotiate with.

F.C. gets the final word today: "Even if a man does not have a foot fetish, we sometimes like to see a woman's feet. Feet are just as expressive as hands, especially in the hardcore layouts and video. According to some American marketing research I read, six out of every ten men pay attention to women's feet when we see an attractive girl in the street, and we like kissing and sucking our lover's toes when we are having sex, too. You'll notice some of your competitors go well out of their way to show the models' feet. Yes, I know that I can always buy your fine *Leg Sex* mags and DVD's and I do own a few copies of them. But why do I have to choose between skinny-assed and small-titted babes in *Leg Sex* stuff or beautiful girls with big gazongas but no feet in *Voluptuous*? I don't think that I should have to choose. Why can't I just have both big tits and feet?"

Special Categories

And the winners are...

We wanted to do something different...

so this year, for the first time ever, we included six special categories in the annual contest issue. Our intentions were to give readers like you the opportunity to let us know which model's bountiful assets reigned supreme. Voting on categories like best bush, best ass and even best XXX performance, you let us know your opinions and we heard your voices, V-men! The response was so positive that we have decided to make the special categories a staple in the contest issue from now on. So, without further ado, here are your 2010 winners!

BUSH
of the Year **WINNER**

Aileen Ghattman

The race for best bush was a tight one, to say the least. Who would have thought that V-men would have such an appreciation for a lady's love rug? But in the end, one lady's nether coiffure was number one on our list and that lady was Aileen Ghattman. Check out her furry clam, gents.

2010
BEST **PREGGO**
of the Year **WINNER**

Lorna Morgan

When it comes to featuring preggos in the magazine, V-men are divided into two clearly defined categories of fans and non-fans. However, when it comes to picking your favorite Preggo of the Year, there was no contest. Lorna Morgan's baby bump, darker areolae and motherly glow won over nearly all the fans in this category. Ms. Morgan won Preggo of the Year by a landslide. Her knocked up knockers are now number 1!

**2010
BEST
ASS**
of the Year **WINNER**

Cherry Brady

Cherry's return caused quite a cummo-
tion among horny V-men. Letters flood-
ed our offices about how the ginger
stunner looked better than ever. High
on the list of accolades was praise for
not only her tits, but her plush
ass, too. So, it wasn't
much of a surprise
when she won
Ass of the Year.

2010
BEST **PUSSY**
of the Year **WINNER**

Jenna Valentine

Known for her tame modeling, (She only started showing pink recently!) Jenna Valentine seemed an unlikely candidate to win Pussy of the Year. However, when this fair-skinned hottie unleashed her pink pussy for your jacking pleasure, a star was born. "Jenna has the kind of perfect, pink pussy you want to spend hours licking and loving," said reader M.H. from Los Angeles, California. We couldn't agree more, buddy.

Denise Davies

When we started grouping together candidates for Areolae of the Year, one name kept coming to mind...Denise Davies. This Brit is renowned for her dark, well-defined dugs and your votes reflected that hers were the dugs of your dreams. Measuring 4 1/2 inches all the way across, these areolae are not only big, but memorable.

2010 **BEST** **HARDCORE** of the Year **WINNER**

Christy Marks

Christy Marks has caused a lot of controversy among V-mag readers. While some of you find her to be the perfect V-girl, others think she is too slim-n-stacked, claiming that she belongs in our sister publication, *SCORE*. One thing is for sure, though. You all agree that when it comes to fucking, Christy is the right gal for the (blow)job.

Kristina Milan's physique is a wonderland. She has a soft, sexy body that promises padding in the right areas. And her huge J-cup whoopers threaten to wrap around your cock and pummel you into submission. She is the perfect combo of ripe curves and humongous tits. That's why you voted her the 2010 Plumper of the Year!

When Kristina debuted in the October '10 issue, lactating no less, her caramel cannons nearly incited a riot. (We can imagine what they did for the tourism industry in her homeland of the Dominican Republic!) She covered the full spectrum of sexiness; tan, exotic, stacked and horny and just like that, fans fell in love. "I have been excited by a lot of your debuts in 2010, from Karla James to Taylor Steele, but no one did for my dick what Kristina Milan did. She is a platinum find. She isn't too thin either, which is great. I like a woman who is thick and hot. I want to climb in her deep cleavage and get lost there," said reader F.E. from Long Island, New York.

"Seeing her fuck while milk dripped out of her nipples was erotic," said reader R.P., via the Internet. Tatiana Blair

They say that good things come in small packages and that is definitely the case with tiny-but-mighty plumper, Tatiana Blair. This incredibly stacked college coed made waves when she first unleashed her G-cups in the August 2010 issue. "I always liked to be naked, so modeling came naturally to me," she

said. Here we see this sex kitten getting ready to fuck and you can tell that she instinctively knows exactly what breast-men want. Sucking her own nipples she says, "I'm ready now. I'm ready to get fucked." Naturally, our stud obliges. Because who could say no to that kind of raunchy invitation?

Tatiana's exotic looks and horny demeanor have made her popular with V-men since day one. "Tatiana Blair seems like a girl-next-door until she starts talking about sex. That's when you realize that this little angel is really a horny, little devil in disguise," said *SCORELAND* member, D.S., via email. What makes Tatiana so special in the bedroom? Well, for one, this tiny dynamo likes it nice and rough. "I like being bitten a little bit during sex," she told us. "I just like it when a guy bites my neck hard. It really turns me on! It's good pain. I also like to dress up in slutty outfits during sex. I like to dress up as a hot cheerleader or a bad schoolgirl. Or even like the naughty librarian. I have a lot of kinky fantasies that I like to play out." And what does Tatiana like the best during sex? She likes cumming from just having her sensitive nipples played with!

We sat down with this plumper and asked her about nipple play and she had a lot to say. "My nipples are very sensitive, so yes, I can get off on just having them played with. It feels so good that it can make me cum. It's a very intense feeling. I like head, too. I like to give it and get it. I think I like to give it because I like the guy's reaction. And I'll swallow. Unless a guy wants to cum on my boobs." Tatiana, we will cum wherever you want it.

For right now, Tatiana says that she is going to enjoy her runner-up position and continue her modeling career and college without the distractions of relationships. That's right, guys, Tatiana is single and looking for a good time. "I'm single because I don't really want to deal with any guys telling me what I can and can't do. I'm having fun shooting hardcore scenes, and I don't want to have to stop doing that because of their issues with it. Guys get jealous quickly. I'll date casually, but I don't want to get involved in anything too serious right now. I tell my friends that I consider my fans to be my boyfriends."

PLUMPER
Contest OF THE YEAR

SECOND
RUNNER-UP

Anna Beck

One of the underdogs of the awards issue is Plumper of the Year second runner-up, Anna Beck. Making her debut in the April 2010 issue with a solo appearance in the October 2010 issue, Anna barely shows any pussy and is a very shy model. That didn't stop many of you from voting for her and saluting what some are calling the best veiny boobs of all time!

Release: StoreMags & FantaMag

"If there is a roadmap to lust, the roads are the veins in Anna Beck's huge tits," said reader S.P. from Portland, Oregon. "There is nothing sexier than thick, blue-hued veins littered on pale tits. Anna Beck is blessed with these veins and I, for one, would love to watch my cum travel down her tits and coat them." Looking at the Czech's jugs, it's hard to argue with that logic.

Beck: Another Name For Giant Hooters:

"Anna Beck is a 22 year-old Czech who likes photography, snowboarding, skiing, knitting and singing. She has 45-inch bazongas and wears a 38G bra but we think she's actually got bigger cups. Anna doesn't speak English and since this is her very first video, she doesn't say anything in Czech either. She lets her huge, well-veined tits do the talking. Anna is a mild nude model. She opens her legs but doesn't spread or play with her pussy and it goes without saying but we'll say it, no toys or boys. Those marvelous tits are good enough for us! Modeling is a lark for Anna, not a big career decision. Hopefully she liked it enough to keep showing us her Czech cupcakes. Her first magazine was April 2010 *Voluptuous*. Her photo is in the upper right cover. It was a good day when her test shots crossed the desk of the studio manager."

With a second runner-up placement in this year's contest, (Not an easy feat considering that she beat out faves like Rose Valentina and Raquel Grant!), what does the future hold for this dental assistant? The sky's the limit! "I'd like to do more videos and more modeling," Anna told one of our European recruiters. Does this mean that we will see this curvy queen in XXX soon? "I don't know if I'll do that, but I do know that modeling makes me feel sexy."

Desirae: She's so nice and so knotty...-by Maria Guerrero

Desirae. Whenever I think of this beautiful, busty babe, I think of her wide, winning smile and girl-next-door demeanor. You might even say that she was almost shy. Every time I bump into a photo set of her on SCORELAND, I admire her cherubic face. I'll be honest and say that I don't even think of her in dirty ways. I just find her so pretty and sort of charming.

That is, until I come to her Big Tit Bondage set, and then, well then I want to do a lot of horny, hot and depraved things to her. Maybe it's because she looks like one of those helpless damsels in distress from the old mystery novels? Maybe that's why this set makes me feel like the mustachioed villain?

We actually have an entire gallery inside of SCORELAND dedicated to this boob bondage. And while I find Desirae hot, all tied up and delicious, waiting for someone to do perverted things to her...I am kind of on the fence about this kind of thing. I have never been a fan of being tied up, myself, but after seeing how hot Desirae looks, all bound and helpless, I am sort of convinced that this kind of thing is a little hot.

What say you, boob men? Do you like a rack all roped up like this? Hmmm?

Continued on page 84

We kind of like Desirae when she is all tied up...and we don't mean busy.

Now, after thousands of votes, she is your 2010 Newcomer of the Year winner. It is clear that Miosotis can do no wrong!

Fans can't get enough of this Dominican goddess, often writing in that they couldn't believe their eyes when they first saw her huge, chocolate jugs. MIOSOTIS, NATURAL WONDER:

If someone told you a girl has a 28-inch waist and KKK-tits, you'd say, "They have to be fake." And usually you'd be right...but

not with Miosotis, the most incredible slim 'n' stacked natural ever.

This spectacular babe from the Dominican Republic proves that when it comes to tits, there's no such thing as too big. Go

behind-the-scenes and into the dressing room with Miosotis as the

KKK-natural wonder of the Dominican Republic stuffs her tits into bras that can't contain them, and shoehorns her slim 'n' stacked body into tight clothing. She uses her huge rack to make huge cocks disappear, smothers boob-hungry studs with her 50-inches of breast flesh, and lets 'em sway while she sucks and fucks. Three hardcore scenes with boob angles you've never seen before, plus behind-the-scenes footage that lets you get to know Miosotis... inside and out!

RUNNER-UP**

**Carrie
Ashton**

There are newcomers who sizzle and then are those who give you that warm and fuzzy feeling...down there. Carrie Ashton is the latter. This pretty, young thing made her debut in the April 2010 issue and sat down with your V-mag editor for an interview. By the end of it, we knew that she had pierced nipples, loved video games and that she was a serious contender for Newcomer of the Year.

STORE.VEGG.COM

Carrie is a Kansas City cutie who works in a retail store and wrestled in high school. (Can you imagine grappling with a hottie like this?) It was her girl-next-door charm that garnered her most of your votes. "I voted for Carrie because she is a real woman. The kind of girl you could date," said reader V.H. from Atlanta, Georgia.

DVDs***ALL STACKED, ALL NATURAL:***

Carrie Ashton is a sexy, new 36E-copper with pierced nips from the heartland of America, Kansas City. We found Carrie through a time-tested way. A boyfriend. In Carrie's case, an ex-BF. "An ex-boyfriend of mine buys a lot of your videos, and at the end of one there was this be a SCORE model (BeAScoreModel.com) ad. He saw it and convinced me to come and model. I thought, 'Hey, I can do that!' and here I am. At first, I was a little bit nervous, but he encouraged me and then I figured, 'Hey, you only live once,' so I decided to come and do it." This is Carrie's very first video, ever! Check out her pierced nipples and curvy body. (Especially her hot, round ass!) In *All Stacked, All Natural*, she fingers her pussy and spreads wide so you can see every centimeter. "People think I am wild but I'm really, like, a video game nerd," says Carrie. With that body and that wet pussy, no one will be thinking she is a nerd, we promise.

When we told Carrie that she had placed as first runner-up for Newcomer of the Year, she was absolutely thrilled. "Really? Wow! I can't believe it!" she said. "I am so happy that my fans voted for me and I want to say thank you to all of them. They voted for me and that is really sweet." Carrie says that she plans to continue solo modeling and hopes that her fans will continue to support her.

Give To Me Your Leather, Take From Me My Lace?

-by Maria Guerrero

Today while I was reviewing some sets, I found myself humming *Leather and Lace* by Stevie Nicks. Then my mind drifted to the lyric, "Give to me your leather, take from me my lace," which made me think about hot models wearing, yeah you guessed it, leather and lace.

So off I went to *SCORELAND* to hunt down some leather and lace sets and then I came across this smokin' hot set of Cilla from a *SCORE* Studio shoot. Check her out in that bad-ass leather outfit. She looks like she is going to kick your door in, spank you, rough you up and then fuck you until you pass out. Maybe say all sorts of dirty shit while she fucks you, too. And I think that is sexy. I am into women who fuck like they are in charge. Dominant women. Aggressive women. Women in leather.

Then I found this set of Luma from her spread in *Voluptuous Holiday* 2004. Look at her, soft and beautiful in that lace teddy. She looks like she's the kind of gal who waits for you to come home from work in this little number. She's going to offer herself up to you and your friend, you know, your cock. She's going to let you fuck her every which way you want and she's going to like it. You want her on all fours? Okay. You want to cum

Do you want blonde domme Cilla to give you all of her leather?

all over her. Sure thing. And hey, that's cool with me, too. I like women who like to be fucked. Soft women. Submissive women. Women in lace.

There's a big difference between a rough rider like leather-clad Cilla over there and easy-ridin' Luma over there. It's the difference between those who fuck and those who take a fucking.

Now, while I love Luma's tits and her winning smile and yes, if I had the chance, I'd bang her until she was dizzy, I actually prefer girls like Cilla. I like ladies who show up with one thing on their minds. I like the idea of a woman who wants to put it on ME and not the other way around. I find it exciting and a little dangerous. I like a woman who knows what she wants and that is to tear me fucking apart. So yes, I say, CILLA! GIVE TO ME YOUR LEATHER! Woo-hoo! But, I am sure there are those of you who would like to take Luma's lace right off and nail her until your nuts were empty. What say you, gents? Dominant or submissive?

Will they float?-by Elliot James

Yes, they will. Tits have a lower density than water. We recently immersed some super busties in a cool pool for the sake of scientific research. We've done this experiment before with Cherry Brady. But ya know, retesting and continued experimentation is how science marches on. It's a wet job, but somebody's gotta do it. You can check out the results of our science on SCORELAND

The hand bra. Will it get a grip in the fashion world?

-by Elliot James

Is there really a need for women to spend large sums of cash at Victoria's Secret and other plush lingerie shops when the ultimate bra is available for free at their fingertips? I'm referring to the hand bra.

As you can see in these photos, the hand bra looks good and it probably feels good. Why should a woman blow 30, 40, 50 bucks on something no one's going to see anyway? (Except some lucky guy.) The hand bra's affordable and portable. Easy to clean. Won't shrink or wear out. It can be worn in different ways for different looks. Want to change the style? Just put on different nail polish or wear gloves.

The bra manufacturers will hate my guts for this Blog piece, but all I'm trying to do is make women look good and feel good and save them a few bucks. True, there are a few drawbacks. They'd have to get used to driving and opening doors with their elbows and typing will be a bitch, but these are minor issues.

The hand bra. In the end, we say if the hand fits, wear it!

The inside scoop on the SCORE Awards, plus a vote for "Pussy of the Year"

-by Dave Rosenbaum

The votes are starting to come in from the online voting for the 2010 SCORE Awards (the votes have been pouring in for a while now from the magazine readers), and I have to admit, I'm a little surprised. Usually, I have a pretty good idea how the voting is going to go (no surprise that Karina Hart won Model of the Year last year, Christy Marks the year before), but this year? I thought I had a clue. Turns out I didn't.

Now, I'm not going to give you any detail, but I will tell you this:

For SCORE Model of the Year, the race seems to be between six girls, and the leader changes from day-to-day. There's also a good chance that we'll see a Model of the Year first.

For the Big-Boob Hall of Fame, I was pretty sure that votes would come pouring in for Crystal Gunns, and they are, but they're also pouring in for six others models, too. This might've been one of those years when we should have inducted two models.

And since I'm the editor of SCORE, not *Voluptuous* (and I don't have to be impartial), I'm going to publicly cast my vote in the "Pussy of the Year" category. I have just spent a lot of time watching Angela White's "Island Fever" video at SCORELAND, and, Angela, if you're

Angela White's juicy pink really moved SCORE editor, Dave Rosenbaum.

reading this, I'd like to apologize. You see, I knew you had a great rack, and I also know you're very nice and have a great personality. But, obviously, I've spent too much time staring at your tits and not enough time appreciating your pussy. Now, "Island Fever"...to refresh your memory, Angela, that's the video in which you're lying in a hammock in Eleuthera, kinda wearing a short, white dress, and at one point, the camera goes for the pussy-first, tits-second view, and, damn, your pussy is right in our faces. You're pulling one pink pussy lip aside with one finger, diddling your clit with the other and...Pussy of the Year!

Back cleavage: underrated but not overlooked-by Elliot James

What's the one part of the female anatomy that's the most overlooked across the board in any category of photography? It's a model's back. It seems neglected. I don't know why.

Backs are beautiful, too. One of the most famous and popular pin-ups of them all is the World War 2-era shot of Betty Grable with her back to the camera. That photo kept many a soldier from losing hope. Back cleavage shots are even more rare, but over the years, we've shot a bunch of them. Now and then, a good back photo sneaks in there.

There are two definitions of back cleavage. I don't mean the back-fat rolls definition of back cleavage. I mean the kind that show part of the model's hoot-

ers extending past her torso when she has her back to the camera. It works best with very large-boobed naturals with trim and slim backs.

One model with impressive back cleavage is Christy Marks. You can see her breasts and the definition of her back very well. I guess I like back cleavage because I'm thinking that if she has that much to see from behind, she must be really impressive from the front.

Full Frontal...Wedgie?

-by Maria Guerrero

I touched on a topic the other day about shaving pictorials and luckily, you guys commented and sort of set me straight on why it's hot. And so, since I appreciated your perspective, I am going to talk about some of the other things that perplex me when I am cruising around SCORELAND.

Today's topic: The Frontal Wedgie.

While I am sure that there is another, cooler name for this...maybe something like a "pudgie" (Pussy wedgie) or a "sledgie" (Slit wedgie.), I am just going to call it a Frontal Wedgie until someone tells me the proper, scientific term for this, um, lodging of one's panties into one's vagina.

My question to all of you boob lovers is, DOES THIS DO "IT" FOR YOU? Is it because you want to sniff her panties after? Is it because you want to see the goods, but not all the way? I need to unravel the mystery, because to me, this just doesn't seem sexy. I love seeing a pussy as much as the next guy. I just don't like to see it with a sledgie.

What are your thoughts? Because if there is a blatant demand for this kind of thing, I certainly want to know about it. Especially if you want to see more of it in the mag. So, go ahead, V-men...illuminate me on the pull of the pudgie. ⑩

2010
NEWCOMER
Contest **OF THE YEAR**

SECOND
RUNNER-UP

Arianna Sinn

In a year where so many incredible newcomers graced the pages of V-mag, one woman made her mark with her own website, feature DVD and five magazine appearances and that woman was Arianna Sinn. When this busty Romanian first doffed her clothes in the March 2010 issue, we knew that a star was born.

There are certain things that make a model a star. Sometimes it's her raw sex appeal; sometimes it's her girl-next-door approachability. And sometimes, it's a rack so hot that it cannot be contained; a rack meant to be shared with boob lovers around the world. In Arianna's case, she is the total package. Not only is she charming, but her rack is full and delicious. She has the kind of tits that are built for stiff dicks and loads of cum. And the cherry on top of this newcomer's sundae is that she loves to fuck and that's awesome because we love to watch her fuck, too.

"Arianna is on everybody's top ten list and it's because she is so sexy but such a sweetheart," writes Seth, a long-time V-mag reader. "When I watch her videos, she charms the pants right off me, literally and figuratively. The 5'3" stunner not only has a perky personality, but a perky set of orbs, too. She says it's due to her creaming routine. "I love my breasts," she said. "I rub cream on them for maybe one hour every day. It's a lot of creaming, but it feels very good and it is good for my boobs. I have a lot to cream. Maybe that's why!"

BUSTY ARIANNA:

You asked for it, you dreamed about it, and now it's happening! G-cup Arianna Sinn, one of our greatest natural discoveries ever, goes all the way on camera, not once but twice in her first hardcore scenes. Arianna sucks, tit-fucks and has her pink, shaved pussy fucked deep by two lucky studs, then takes loads of cum all over her tits. But that's not all! Arianna invites you along for a private picnic in which she plays with fruits and vegetables, then plays cowgirl in a sexy wild west outfit. If you love beautiful, voluptuous girls next door with sexy voices, inviting smiles and great, natural racks, then this is the DVD for you. For her first boy-girl hardcore scene, a lucky stud sucks her tits and eats her shaved pussy, then Arianna returns the favor by sucking his cock and balls. Arianna's G-cups bounce and flop wildly as she gets her pussy fucked in the missionary, side-saddle and reverse-cowgirl positions, then she finishes her guy off with a lusty tit fuck. Of course, he cums on her beautiful chest.

So what does Arianna have to say to everyone who voted for her in this year's Newcomer contest? "Thank you for watching me. I know you like to watch me when I touch myself. And I like knowing that all of you are watching me have sex. It makes me very horny that I have so many fans." In a short time, Arianna has mastered the art of working a cock and making eye contact. Her tit-jobs are amazing and watching her take a hard pounding is a thing of beauty. We think the future holds more hardcore from Arianna and we think that version of the future looks bright and maybe just a little sticky! Congratulations!
